

The Spa at The Carneros Inn Napa, California

In the midst of Napa Valley's beautiful Carneros wine growing region, lies a luxurious resort getaway, The Carneros Inn. A place designed to make absolutely everything feel better. Comfortable luxury at its finest.

Each cottage or private home comes equipped with an indoor and outdoor shower, Red Flower Italian Blood Orange amenities, a Kohler soaking tub and heated slate floors. Watch a DVD on your flat screen TV, while lounging in front of your wood burning fireplace. Enjoy breakfast in bed, or in your own private garden.

The Spa at The Carneros Inn offers an extensive menu of treatments which reflects the surrounding natural elements—The Harvests, The Farms, The Cellars, The Minerals and the Flowers of Carneros—with ingredients hand-mixed specifically for The Carneros Inn.

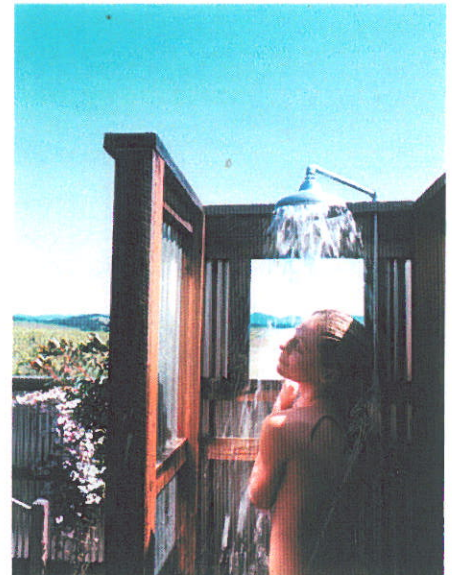

Only an hour from San Francisco, The Carneros Inn feels a world apart.
