FOR THE LUXURY LIFESTYLE™

Take tea by the Wenyu River; poke around in Carneros or Stags Leap.

Vintners and gentlemen farmers will feel right at home at the **Orchard at the Carneros Inn** (www.theorchardatcarneros.com), a collection of 17 fractional-ownership cottages in Napa's Carneros district. The residences, which opened this spring, further the idealized Midwestern-town ambience of the Carneros Inn resort, which includes 86 tin-roofed guest cabins and a Town Square with bocce ball courts. Shares of the 1,700-square-foot, two-bedroom cottages begin at about \$300,000. . . .
