The Spa at The Carneros Inn

Napa, California

In the midst of Napa Valley's beautiful Carneros region lies The Carneros Inn, comfortable luxury at its finest.

Each cottage or private home features a spa-inspired bathroom with exclusive Red Flower Italian Blood Orange amenities, heated slate floors, deep soaking tubs, multi-head shower, and the inn's signature

alfresco showers. All accommodations boast wood burning fireplaces, Italian linens, state-of-the-art technology, and a private deck and flowering patio.

The Spa at The Carneros Inn offers an extensive menu of indigenous treatments that reflect the natural surroundings. Recently expanded facilities include custom designed hydrotherapy bathing experience The Huichica Creek Baths, a yoga studio, PRECOR-filled fitness barn, and a second pool area designed for family and fitness. The Hilltop pool, now reserved for adults, allows you to float over miles of rolling vineyards and farmland.
