Waves to Wine

SPECIAL ADVERTISING SECTION

FROM THE RUGGED COASTLINE TO THE SUN-DRENCHED VINEYARDS,
NORTHERN CALIFORNIA OFFERS A WORLD OF WEDDING ESCAPES.

PREVIOUS PAGE: The Carneros Inn, nestled among 27 acres of vines, an apple orchard and countless miles of Napa farmland, makes the perfect wine country wedding escape. Above: Take in sweeping views of the Stillwater Cove at Pebble Beach Resorts.

Discreet yet luxurious, **The Carneros Inn** lies between Napa and Sonoma valleys in the pastoral Chardonnay-producing region of Carneros. Set on 27 acres of farmland, grapevines and apple orchards, the peaceful resort earned the title of one of the top 25 romantic getaways in the world from *Travel+Leisure* magazine. Although the property's barns, rocking chairs and silos suit the rustic setting, the private villa and cottage accommodations are modern and stylish with luxurious linens, wood-burning fireplaces and hot outdoor showers. Wedding menus, orchestrated by executive chef Steven Tevere, highlight the region's fresh artisan ingredients and

feature produce from the inn's own culinary gardens. Before and after the wedding celebration, guests can go further a field for wine tasting, cycling, hiking, hot air ballooning and golfing.
