THE HARVEST

THE CARNEROS INN, NAPA VALLEY.

SCHEDULED TO
OPEN THIS FALL

THE CARNEROS INN, A NEW LUXURY RESORT located in Napa Valley's Carneros winegrowing district, opens this Fall. The Carneros Inn is the first new resort approved in more than twenty years in Napa County, and the first ever in the Carneros viticultural area.

The Carneros Inn project includes hotel suites, private cottages, residences of California's most picturesque vineyard landscapes, as well as providing a town square for the Carneros community.

The Carneros Inn features ninety six charming, private guest cottages, each furnished in a casual but elegant manner and nestled in a lush garden courtyard. It also has terrace dining and pool-side lounging with panoramic vineyard views; and architecturally dramatic restaurant, bar and spa facilities. The roomy cottages, each with its own patio and garden, offer a private retreat. Each combines the casual feeling of a sophisticated vacation house with all the conveniences of a top-flight hotel.

In addition to the hotel accommodations, twenty four style resort homes will be located on the grounds of The Carneros Inn. Homeowners will have access to all the services and conveniences of the luxury hotel, including concierge, event planning and catering, and maid and room service. Each of the 3-bedroom, 3 1/2 bath luxury homes is organized around a gourmet kitchen/great room that opens out onto a large private courtyard designed for outdoor entertaining. The homes also feature double-master floor plans with lavish bathrooms, roof-deck terraces and distinctive vineyard view towers.

The 27-acre resort includes a refined, guest-only fine dining room in the tradition of a European country inn, a redwood lounge, and an overlook patio situated at the property's highest elevation. Cuisine at the Inn will be based on fresh ingredients available in and around Carneros, seasoned with herbs, and vegetables from the Inn's own kitchen gardens. Breakfast and lunch will be available to Inn guests, locals, and visitors in the roadhouse cafe just off of the Sonoma Highway.

The Carneros Inn (www.thecarnerosinn.com) is at 4048 Sonoma Highway, Napa, CA 94559. For reservations and event bookings, please call 707.299.1900. ©
