GOING TO...

## Napa Valley

Word on the grapevine is that the Caneros Inn will soon be the toast of Napa. The first new resort there in twenty years, it features roomy cottages with private patio and garden, and opulent interior details like French doors, cherrywood floors, and vaulted ceilings. Opens in November (707-299-4900; [thecanerosinn.com](http://thecanerosinn.com)).

THE VALLEY BELOW: A vineyard view from Caneros Inn.
